

Team Information

Standard XML Live Data Feed 2023

Dear Teams,

Short Information about needed credentials for FTP-Login

The IP addresses are assigned automatically. The XML download works via FTP protocol.
Recommended programs are filezilla and winscp. The second option is to map network location in windows file explorer.

The login is:

user	xml-motorsport.sportresult.com xml
Password	TEAMS2023
URL	ftp://xml-motorsport.sportresult.com
Server Port	21
