

DRIVER PAIRING PERMISSION
R3 – DIJON – MANTHEY RACING

In accordance with article 10.1.1 of the 2023 Sporting Regulations, "Drivers categorised as Gold or Platinum by the FIA may be accepted by the SRO Sporting Board as a GT2 Pro driver"

We have received a request for the driver Marco HOLZER, categorised as Gold, to be accepted as a GT2 Pro driver for the Dijon round of the Fanatec GT2 European Series to compete with Christoph Breuer (Bronze) in the Pro-Am category.

On behalf of the SRO Sporting Board, this request is accepted. However, the team is advised that in accordance with article 10.1.3, Holzer will be under supervision from the SRO Sporting Board and may be given an additional weight or time penalty at any point during the Event. Furthermore, the pairing may be submitted to the GT2 Teams Committee in case of any disputes.
