

DECISION No: 05

From:	The Stewards	Date:	16 th June 2023
To:	PK Carsport (Peter Guerlinckx)	Time:	11:30 hrs

The Stewards, having received a report from the Technical Delegate, have considered the following matter and determine the following:

No. / Driver: 1
Competitor: PK Carsport (Peter Guerlinckx)
Time (Fact): 10:50 16/06/2023
Session: Free Practice 1
Fact: Disconnected DATA LOGGER during Free Practice 1
Regulation: Article 19.1 of the GT2 European Series Sporting Regulations
Decision: **Fine 300 EUR**
Reason: The Stewards understand the team manager's reasoning for disconnecting the DATA LOGGER as it started malfunctioning the Driver's display while driving the car. But also note that the team during the session did not make any effort at the time (during the session) to inform any of the GT2 European Series Technical Delegates or make a request on the appropriate communication channels provided by GT2 European Series.

As such this as a breach of the regulations, but given it is Free Practice the Stewards judge this a mistake made by the Team.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
