

DECISION No. 01

From: The Stewards
To: PK Carsport / Anthony Kumpen

Date: 15th September 2023
Time: 14:15

The Stewards, having received a request from the Competitor, have considered the following matter and determine the following:

No.: 1

Competitor: PK Carsport / Anthony Kumpen

Fact: Non-functioning driver ID system.

Offence: Breach of Article 19.3 of the 2023 Fanatec GT2 European Series Sporting Regulations

Decision: **The competitor must ensure that the organisers are informed which driver is in the car at all times.**

Reason: The car suffered an alternator issue during Paid Practice which resulted in a peak voltage. The problem damaged the driver ID controller on the transponder. The competitor is unable to rectify the damage during the event and no spare driver ID modules are available. The Stewards accept this as being a case of force majeure and that for this event only the competitor must inform the organisers manually by means of pit reports the time that each driver enters and exits the car.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
