

DECISION No. 05

From: The Stewards **Date:** 05th April 2024
To: #80 Razoon – more than racing – Philippe Prette **Time:** 19:30

The Stewards, having received a report from the Fanatec GT2 European Series powered by Pirelli Race Director, having examined video evidence, summoned and heard from both drivers and competitor's representatives, have considered the following matter and determine the following:

No.: #80 Philippe Prette
Competitor: Razoon – more than racing
Time (fact): 18h05
Session: Qualifying 2
Drivers: Philippe Prette
Fact: **Driver of car #80 caused a collision with car #888**
Offence: Breach of Article 33.4 of the 2024 Fanatec GT2 European Series powered by Pirelli Sporting Regulations and Chapter IV Article 2b) and 2d) of Appendix L to the Code.
Decision: **Drop of 5 grid positions on next race the above-mentioned driver will participate. 1 Behaviour Warning Point for driver Philippe Prette.**
Reason: During Qualifying 2, the competitor #888 was in his out lap, driving at low speed, and competitor #80 was much faster. Approaching turn 5, car #888 took the normal racing line, and car #80 tried to overtake him on the right side. At the exit of the corner, car #888 was still on the left edge of the track but #80 collided with him. The stewards consider that driver #888 was not impeding since he was using the normal racing line. On the other hand, car #80 was much faster and trying to overtake but he had to know which is the normal racing line and which must be the trajectory to avoid the contact.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
