Overall Classification and Podium

In accordance with articles 6.7 of the 2026 Sporting Regulations, please note that an additional trophy will be awarded during each Race of the 2026 season, based on the overall classification of the race.

The standard points of 25 – 18 – 15 – 12 – 10 – 8 – 6 – 4 – 2 – 1 will be given to the drivers finishing in the top ten positions in each race, regardless of category. An Overall Trophy podium will take place after each Race.

An Overall Drivers trophy will be awarded at the end of the season, given to the driver(s) competing in GT2 European Series who have scored the highest number of points in the overall classification.

As a consequence, article 51.1 of the 2026 Sporting Regulations is amended as follows :

1: 1st, 2nd and 3rd GT2 European Series by Pirelli Overall Classification + a Team Representative of the Winning Car.

2: 1st, 2nd and 3rd GT2 European Series by Pirelli Pro-Am Cup + a Team Representative of the Winning Car.

If the winning Silver Cup car is not in the top three overall, the winning driver(s) and Silver Cup team representative will join the Pro-Am podium

3: 1st, 2nd and 3rd GT2 European Series by Pirelli Masters Cup + a Team Representative of the Winning Car.

Note that if six or more cars are entered in Silver Cup in any Event of the 2026 GT2 European Series powered by Pirelli, then a full Silver Cup podium will take place for 1st, 2nd and 3rd GT2 European Series powered by Pirelli Silver Cup + a Team Representative of the Winning Car.
