STEWARDS' DECISION

From: The Stewards

To: RTR projects

The Stewards, having received a report from the Race Director, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 294 - Ondrej Rokos

Competitor: RTR projects

Time: 16:50

Session: Race 1

Fact: Caused a collision with car 1 at T1-2

Offence: Breach of Article 33.4 of the GT2 European Series Sporting Regulations and Appendix L Chapter IV Article 2d) of the FIA International Sporting Code

Decision: Reprimand + 1 BWP

Reason: At the exit of T1 car 294 and 1 where side by side, with car 294 on the left side and car 1 on right hand side. On the onboards it is observed that car 294 is manoeuvring slowly to the right side into the path of car 1, as a consequence making contact with car 1 and spinning around into the wall. During the hearing the driver of car 294 explained that although he was aware of car 1 as they were battle for a couple of corners he was not fully aware of the exact positioning of the car. We judge car 294 wholly responsible for this contact but given that car 1 could continue and car 294 as a result of this contact retired from the race we judge a Reprimand is more appropriate in this case.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
