PIT ENTRY AND SPEED LIMIT

PIT EXIT LIGHTS REPEATER

WHEN RED CARS MUST STOP AT THIS LIGHT

STARTING PROCEDURE

Cars straight to the grid, no installation laps.

Pole position: RIGHT Start line-up: Turn 14 to 15

- No more weaving from turn 13
- Grid formation from turn 14
- All lined up and tightly grouped by exit turn 15
- **Two rows of cars following the grid boxes moving in parallel position**
- Any car breaking the formation or overtaking before the signal will be reported to the stewards

- Start will be from RED to GREEN
- When the green light is ON you can:
 - Break formation
 - Start overtaking
- **Start aborted**
 - Lights will remain in red with yellow on top
 - Yellow lights all over track
 - EXTRA FORMATION LAP

- Pit window between 20m.00s.000 and 29m.59s.999
- Pit in to Pit out time = **45 seconds** (630 meters)
- Minimum driver change time = **155 seconds**
- Driver change with Tyre change (x4) dry/wet = **181 seconds**
- Additional pit stop for tyres change, weather, puncture: **71 seconds**
- 1 second tolerance which may be used once during the event
- Note that solo drivers must get out of the car during the stop.
- **Don't forget to change the driver ID in the pit lane**

MANDATORY PIT STOP

ALL CARS ALLOWED TO REFUEL DURING THE RACES AND FREE PRACTICES,
max 25 litres allowed in all cars at the pit stop (ie 1 dump churn max)

- Refuel is allowed using dump churn only
- **If you refuel during the pit stop**
 - It needs to be done **at the start of the stop** and with all safety precautions
 - Driver out of the car, door closed
 - Car stationery and on the ground
 - Electrically earthed and engine off
 - No work other than the addition of water is allowed

Driver change and tyre change, if needed, must be done after refuelling

- Safety car procedure: yellow flags and SC boards in all marshal posts
- Overtaking is forbidden until you cross the finish line at the end of the procedure
- SC turns off lights at T11. When SC turns off lights all signalling will be removed and a green flag will be displayed at the finish line.
- **All cars, in single file, must increase their speed to catch up the group and follow the SC anywhere it goes.**

- Pit exit lights normally **GREEN**
- When the SC passes the pit entry, the pit exit light will turn **RED**
- When the last car in the group behind the SC passes the pit exit, the lights will turn **GREEN** again

RED FLAG PROCEDURE

Slow down to 80 Km/Hr

NO overtaking

Free practice:

Drive to pit lane to your pit box - the clock will NOT stop

Qualifying:

Drive to pit lane to your pit box - **the clock WILL stop**

Race outside pit window: **Clock WILL stop - line up at the red line** (finish line)

Order as when the red flag was declared

Parc-Fermé conditions - on the grid: teams and officials

Restart behind Safety Car

If you enter the pits after the red flag: restart one lap later

- Cars **return to the pit lane** and to their respective boxes.
- Cars are under **Parc-Fermé conditions**.
- Pit Stop is permitted, but when complete the car is immediately under Parc-Fermé conditions.
- Marshals will call the cars to line up in order, at the line, from the last full lap before opening of the pit window.

- “The white lines defining the track edges are considered to be part of the track but the kerbs are not”

TRACK LIMITS

- Track limits at T16 will delete current and next lap

- During free practice: Drivers will be warned and after 10 infringements they can receive a 5 minute stop and go.
- During Qualifying: relevant lap time deleted

- Race: 4th time warning Black & White flag by timing monitors and radio.
5th time final warning on the radio.
6th time the stewards can impose a time penalty.

Reset to 0 at pit stop.

- If the TL penalty during the race is announced before the pit window is open you will need to serve it then.
- **Other TL penalties announced after we open the pit window will be added to racing time**

- Parc fermé will take place after Qualifying & each Race. Individual cars may also be selected for fuel testing after FP1 and/or FP2.
- Parc fermé will be in your tent unless selected by the Technical Delegate for inspection.
- Parc fermé will be opened by the Stewards via the Messaging App.
- SD cards must be deposited in the GT2 Scrutineering Area within 10-minutes of the end of every session.

- In Practice and Qualifying, if you are not trying to set a fast lap, please move out of the racing line.
- If you are on a slow lap or if your car has a problem, **be predictable, do not move suddenly.**
- If you have a mechanical issue stop close to the orange markings for easier rescue.
