STEWARDS' DECISION

From: The Stewards **To:** High Class Racing

The Stewards, having received a report from the Race Director, summoned and heard from the driver(s) and the competitor's representative(s), have considered the following matter and determine the following:

No. / Driver: 77 -

Competitor: High Class Racing

Time: 13:40

Session: N/A

Fact: Starting Procedure/Circulation

Offence: Article 45.1 of the GT2 European Series Sporting Regulations

Decision: Car 77 must use the Pre-Grid and the Circulation Map to join any Session, it can not join any session directly from the Pit garage.

Reason: All cars, except car 77 are in the awnings in the paddock and the procedure to use the pre-grid will be followed. Car 77 has been given exceptional permission to stay in the team's pit garage, however on sporting fairness grounds this does not waive them from following the mandated procedure eg. joining each session via the pre-grid and using the circulation map as communicated by the Race Director.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
