

FANATEC GT2 EUROPEAN SERIES

SPORTING NOTE #1 – 15/04/2021 - CLARIFICATIONS AFTER TEAM MANAGERS' BRIEFING

13.1 DRIVER NUMBERS AND LIMITS

With the agreement of all teams, the following is added to article 13.1. :

c) In the Fanatec GT2 European Series, Driver 1 will be designated as the driver of higher categorisation (Silver or Bronze+). If both drivers have the same categorisation, the team may choose which is Driver 1 and which is Driver 2. In accordance with Article 41.7.2, Driver 1 will take part in Q1 and start Race 1, Driver 2 will take part in Q2 and start Race 2.

Teams may need to resubmit their Driver Nomination Form for the Monza round, which should be done by midday on Friday April 16th.

39.2 DRIVER CHANGES

Please note that the following text included in article 38.1 concerning driver changes will be moved to article 39.2 and is to be referred to when driver changes take place

39.2 Driver Changes during pit stops

The driver exiting the car may assist the driver replacing him.

Any other Team members standing in the working area (working lane, Article 34.4) will be considered as mechanics and working on the car, as will a driver if he performs any work on the car.

One mechanic may wash/clean the windscreen and lights, remove dirt or grass from the radiator grille, change the water bottle or assist the drivers during the driver change. Removing a tear-off film is considered to be cleaning the windscreen.

A data technician may download data from the car by cable, card or data stick, without performing any other task. The data technician does not require an armband.

1 'tyre' technician and 1 'brake' technician external to the Team may, without intervening or working on the car, proceed to conduct visual checks as well as with a temperature probe or pressure gauge. They will wear an armband in accordance with Article 12.4.
