

From The Stewards of the Meeting **Decision N° 24**
To The Competitor: Bert Longin
Date: 02 April 2022 **Time:** 15:15 hrs

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

N° / Driver: 81 / Bert Longin and Peter Guelinckx
Competitor: Bert Longin
Time (fact): 17:30
Session: Qualifying 1 / Qualifying 2
Fact: wrong Nomination of Driver 1 and Driver 2
Offence: Breach of Article 13.1c/d of the Fanatec GT2 European Series Sporting Regulations
Decision: Fine of 300,00 €
Reason: The Stewards received a report from the Racedirector, stated that the team did not follow the rules in the article mentioned above, which describes clearly that if both drivers have the same categorisation, the team may choose which is Driver 1 and which is Driver 2. This assignment is also the decision which drivers takes part in Q1 respectively Q2 as described in Art. 13.1d and in accordance with Article 41.7.2.

The explanation from the team was, that they thought that this statement is only necessary for assigning the driver ID on the transponder to the drivers. They were not aware that this form meant the nomination of the drivers as described in the regulations. They assured that the right driver was in the car in Q1 and Q2. They also noticed the incorrect display on the timing monitors during qualifying and reported it via the Team Message app.

In order to ensure that the correct driver took part in Q1 and Q2, the race director checked the camera footage of a driver facing camera and could not find any infringement.
